WHAT TO EXPECT

- ★ Hajj is very easy, but As Allah Subhaan Wa Taala has said there will be hardship.
- ★ Our submission to this hardship and thanking Allah Taala for giving us the opportunity to be his guest and perform Haj is of Prime Importance here and the Key for Maqbuliyat of our haj.
- ★ Thus we need to be mentally and physically prepared so that we do not lose focus on our ibadat and get misguided by the Shaitaan.
- ★ Also remember that the Organizers team will be there with you at all times, they will do their best to ease thing as much as possible.
- ★ There will be immense crowd of Hajis from all over world gathered during this specific period for a common objective of Haj.
- ★ At Jeddah Airport except long waiting hours (approx.. 10 to 12 hours) for clearing immigration and customs. Thus you need to maintain great deal of patience.
- ★ There will be no transportation between Muzdallifah to Mina Tents. Hajis have to cover this distance by walking only.
- ★ It is common to get body aches, cough and cold. Get along necessary medication for existing illness and common illness. Medicines in Saudi are very expensive.
- ★ To avoid losing Luggage make sure all your luggage are properly tagged. Make sure Identifiers or Labels are placed on easily identifiable areas of your luggage. Hand carry your valuables.
- ★ The Organizer will not be responsible for any loss of luggage.
- ★ The Airline company accepts only 2 Luggages of 20 Kg each.
- ★ **VIP Tents:** VIP Tents can be understood as follows:
 - There may be one or more Air conditioners and coolers.
 - There may be foam mattresses. (Sofa Cum Bed)
 - At the same time, All Hajis will be very closely placed to each other in the tents thus once fully occupied it looks congested.
 - Common toilets. There will be few toilets for large number of people hence you can expect ques.
- ★ When going to Mina, Arafat and Muzdallifah, make sure you have minimum luggage i.e. only necessary items as there will not be space to keep excessive luggage.
- ★ Due to traffic conditions and dependency on Moallim there may be waiting time for busses.
- ★ There could be any unexpected change in rules by the Government of Saudi Arabia or the Moallim, we need to accept and comply.

Day 1

8th Dhul Hijjah

The first official day of Hajj is 8th Dhul Hijjah in which pilgrims travel from Makkah to Mina. Prior to this, pilgrims put on Ihram and complete Umrah (if performing Hajj Tamattu'). They spend the day and night in large tents.

Makkah Al Mukarramah

STAGES OF HAJJ

Mina

Mina

Day 4 & 5

10th-13th Dhul Hijjah

Pilgrims return to Mina after Dhur and spend the 11th, 12th and 13th day of Dhul Hijjah there in which they stone the three Jamarat starting with the smallest using 7 pebbles for each. The act of stoning commemorates the three attempts the devil made to tempt the Prophet Ibrahim (alayhi salaam). The Prophet rejected all three of the devil's attempts, stoning him and driving him away. Pilgrims may leave after the 12th if they wish.

After the 12th Dhul Hujjah

Pilgrims return to Makkah and make a farewell Tawaf. Sa'ee does not form part of the Farewell Tawaf. All pilgrims are required to leave the country by 10th Muharaam which is around a month after Hajj.

03

Arafah
(Mount of Mercy)

Day 2

9th Dhul Hijjah

Pilgrims leave in the morning and travel to the plain of Arafat. This is known as the 'Day of Arafat' where pilgrims stand or sit near the Mount of Mercy asking Allah for forgiveness, devote time to prayers and repent for their sins. The Prophet (saw) said:

"The best du'aa is the du'aa on the day of 'Arafah and the best thing I and the Prophets before me have ever said is: Laa Ilaaha ill-Allah wahdahu laa Shareeka lah!"

[Malek and at-Tirmidhi]

06

Makkah Al Mukarramah

On this day Muslims from around the world also join them in spirit by fasting. After sunset, pilgrims travel to Muzdalifah which is between Arafat and Mina. It is here where they collect small stone pebbles to be used the following day.

05

Jamaraat

04

Muzdalifah

Day 3

10th Dhul Hijjah

On the third day pilgrims move back to Mina to Jamrat al- Aqabah and throw stone pebbles at pillars and remember the story of Shaytan when he tried to persuade Ibrahim (alayhis salam) not to sacrifice his son. The stones represent Ibrahim's rejection of Shaytan and his steadfastness.

It is here that men shave their hair and women trim their hair. Meat is slaughtered and given away to the poor. This is symbolic of Ibrahim who was ready to sacrifice his son upon Allah's command. This day also marks Eid ul Adha (the Festival of Sacrifice).

Pilgrims return to Makkah and perform Tawaf around the Kabah which is known as Tawaf al Ifadhah. They also perform Sa'ee which is walking 7 times on the Safa and Marwa hills. After Tawaf Al-Ifadhah the state of Ihram is completely ended and all restrictions are lifted.
