WHAT TO EXPECT

- Hajj is very easy, but as Allah Subhaan Wa Taala has said there will be hardship.
- Our submission to this hardship and thanking Allah Taala for giving us the opportunity to be his guest and perform Hajj is of Prime Importance here and the Key for Maqbulyat of our haj.
- Thus we need to be mentally and physically prepared so that we do not lose focus on ibadat and get misguided by the Shaitaan.
- Also remember that the Organizers team will be there with you at all times, they will do their best to ease things as much as possible.
- Here we are trying to help you mentally prepare yourself for the journey so that you don't lose control of yourself under hardship and spoil your Hajj. Key to Successful Hajj is Sabar.
- There will be immense crowd of Hajis from all over world gathered during this specific period for a common objective of Haj.
- At Jeddah Airport expect long waiting hours (approx. 10 to 12 hours) for clearing immigration and customs. Now due to COVID restrictions there may be new rules.
- Thus you need to maintain great deal of patience.
- There will be no transportation between Muzdallifah to Mina Tents. Hajis have to cover this distance by walking only.
- Though we have VIP tents in Mina & Arafat the space allocation and providing service and amenities is done by the Ministry of Hajj & Umrah of KSA. The space is allotted based on number of haji staying in the tent and the space is only that much that the Haji can just fit in length & breadth.
- It is common to get body aches, cough and cold. Consult your Family Physician before travel and get along necessary medication for existing illness and common illness. Medicines in Saudi are very expensive.
- Its very important to keep check on your diet as well so that you keep yourself fit for the whole journey.
- To avoid losing Luggage make sure all your luggage is properly tagged. Make sure Identifiers or Labels are placed on easily identifiable areas of your luggage. Hand carry your valuables.
- When going to Mina, Arafat and Muzdallifah, make sure you have no luggage as there will not be space to keep excessive luggage.
- It is good to carry power Banks for your mobiles as it will be difficult to charge your phones in Mina/Arafat /Muzdallifa.
- It is good to carry International Pin / Universal Pin power adaptor as our Indian power adaptor / charger pins will not connect in power sockets in Saudi Arabia.
- It is good to carry Marker Pens, Blank Labels and Tapes, Ropes, Ties cables.
- Due to traffic conditions and dependency on Moallim there may be waiting time for busses.
- There could be any unexpected change in rules by the Government of Saudi Arabia or the Moallim, we need to accept and comply.

*Wishes you all
a pleasant and blissful journey*
